

PROTECTING FIRST RESPONDERS WITH **STERAMIST**® DISINFECTION

Keeping police and first responders healthy is a large step in ensuring the continued safety of a community, and pathogens can present as much of a threat as crime if not properly addressed. With SteraMist® disinfection, you can protect your facility and fleet from both emerging and existing pathogenic threats.

Utilizing ionized Hydrogen Peroxide (iHP™) - a non-caustic, chlorine and bleach-free aerosolized fog - SteraMist® treatments can effectively disinfect a facility or transports at any time with TOMI™ Service Network providers.

Whether you require a routine or emergency disinfection, the SteraMist® Surface Unit can be quickly and easily deployed to service both vehicles and buildings at your convenience.

- The ultimate tool for elimination of bacteria & viruses such as **SARS CoV-2 Coronavirus, Staph, MRSA, Norovirus, H1N1, C. difficile, pseudomonas, and salmonella.***
- An effective broad-spectrum surface disinfectant.
- Goes above, beyond, under, and around disinfecting sprays and wipes.
